**ARTICLE II**  
**PROPERTY SUBJECT TO THIS DECLARATION**

1. Property. The Property is and shall be improved, held, transferred and occupied subject to this Declaration. As of the date hereof, Declarant intends to develop the Property described on Exhibit "A" attached hereto commonly known as Blackstone at Bay Park. In addition, Declarant may, in the future, but shall have no obligation to annex and submit to the lands to be encumbered by this Declaration. If Declarant elects to annex and submit such additional lands to the lands to be encumbered by this Declaration, then Declarant shall follow the procedures set forth in Section 3 below. Until such time, only the Property described in Exhibit "A" to this Declaration shall be encumbered hereby, and this Declaration shall not be deemed an encumbrance against any other lands.

2. Additional Property. Declarant shall have the right but not the obligation to bring within the scope of this Declaration, as Additional Property, additional land lying in the vicinity of the Property at any time within twenty (20) years from the date this Declaration is recorded, which annexation may be accomplished without the consent of the Association, the Owners, or any mortgagee or other lien holder; provided, however, if any one or more of the United States Department of Housing and Urban Development ("HUD"), Federal Housing Administration ("FHA"), or Veterans Administration ("VA") requires approval or consent to annexation of Additional Property by any one or more of said agencies as a condition of making or insuring loans on Dwellings in the Property, and any such loan has been approved, insured or purchased by the applicable agency at the time Declarant proposes to annex Additional Property, then Declarant shall obtain the required consent to, or approval of the proposed annexation.

3. Method of Annexation. Additions authorized under this Article II shall be made, if at all, by recording a Supplemental Declaration by Declarant extending this Declaration to Additional Property. The Supplemental Declaration shall not require a vote of the members or the joiner or consent of any member. The Supplemental Declaration shall describe the real property to be annexed and shall state that it is being made pursuant to the terms of this Declaration for the purpose of annexing property to this Declaration and extending the jurisdiction of the Association to the Additional Property. The Supplemental Declaration may contain additional terms not inconsistent with this Declaration to reflect the different character, if any, of the real property being annexed or of the housing or development approaches being implemented. Upon the recordation of any Supplemental Declaration, the Owners shall also have a right and non-exclusive easement of use and enjoyment in and to the Common Property, if any, within the Additional Property and an obligation to contribute to the cost of operating, maintaining and insuring the additional Common Property and any additional Areas of Common Responsibility. Any Supplemental Declaration recorded in accordance with the terms hereof shall be conclusive in favor of all persons who rely thereon in good faith. From and after recordation of any Supplemental Declaration, the Additional Property described therein shall be subject to the provisions of this Declaration and to the jurisdiction of the Association.

4. Assessment Obligation of Owners Other than Declarant as to Additional Property. Any Lots within land added as Additional Property which are owned by owners other than the

Declarant, or its assignee by separate written document, shall be subject to assessments, both annual, special or otherwise, all in accordance with Article VI, below.

**ARTICLE III**  
**THE ASSOCIATION**

1. The Association. The Association is a not-for-profit corporation. The Association shall have the power to do all lawful things which may be authorized, assigned, required or permitted to be done by this Declaration, the Articles, or the Bylaws, and to do and perform any and all acts which may be necessary or proper for, or incidental to, the exercise of any of the duties or powers of the Association for the benefit of the Owners and for the maintenance, administration and improvement of the Property and Areas of Common Responsibility. Neither the Articles nor the Bylaws shall be amended or interpreted so as to be inconsistent with this Declaration. In the event of any such inconsistency, the provisions of this Declaration shall prevail. The officers and directors of the Association shall be required to be either (1) a Member of the Association, or (2) an agent of Declarant. The Board, and such officers as the Board may appoint, shall conduct the affairs of the Association.

2. Membership. Each Owner (including Declarant) shall be a Member of the Association. The Association membership of each Owner shall be appurtenant to, and inseparable from the Lot giving rise to such membership, and any transfer of title to a Lot shall operate automatically to transfer to the new Owner the membership in the Association appurtenant to that Lot.

3. Voting Rights. The Association shall have two (2) classes of voting membership:

a. Class "A". Class "A" Members shall be all Owners, with the exception of Declarant for so long as Declarant retains Class "B" voting rights. Each Class "A" Member shall have one (1) vote for each Lot owned by the Member.

b. Class "B". The sole Class "B" Member shall be Declarant. Declarant shall be entitled to three (3) votes for each Lot actually or potentially included in the Property owned by Declarant. Upon the execution of this Declaration, Declarant shall have three hundred seventy five (375) Class "B" votes representing three (3) votes for each of the one hundred twenty five (125) Lots planned for the first phase of the Development within the Property described in Exhibit "A" attached hereto. In all, Declarant expects but shall not be required to develop and submit a total of 125 residential lots to this Declaration and to the jurisdiction of the Association. The Class "B" Member shall be entitled to cast all of its votes in any vote or election held by the Association.

c. Termination of Class "B" Membership. As each Lot in the Property is conveyed by Declarant to a Class "A" Member, Declarant's votes for that Lot shall lapse. The Class "B" membership shall terminate and become converted to Class "A" membership upon the earlier of the following:

- i. When the total outstanding Class "A" votes in the Association equals or exceeds the total outstanding Class "B" votes; or
- ii. Five (5) years from the date of recording this Declaration; or
- iii. At such earlier time as Declarant , in its sole discretion, may so elect.

Upon the happening of any one of these events, Declarant shall can a special meeting of the Members to advise of the termination of Class "B" membership, and provide written notice of such event.

4. Transition of Control. Any other provision of this Article III to the contrary notwithstanding, Owners other than Declarant shall be entitled to elect at least a majority of the members of the Board of Directors not later than the earliest of the events specified in subsection (c) above. Declarant shall be entitled to elect at least one member of the Board of Directors as long as Declarant holds for sale in the ordinary course of business at least five percent (5%) of the Lots in all phases of the Development. After Declarant relinquishes control of the Association, Declarant may exercise the right to vote any Declarant-owned voting interests in the same manner as any other Owner, except for purposes of reacquiring control of the Association or selecting the majority of the members of the Board of Directors.

5. Multiple Owners. Each vote in the Association must be cast as a single vote, and fractional votes shall not be allowed. If joint or multiple Owners are unable to agree among themselves as to how their vote is to be cast, or if more than one (1) Class "A" vote is cast for any Lot, none of the votes for that Lot shall be counted. If any Owner casts a vote on behalf of a Lot, it shall be conclusively presumed that Owner was acting with the authority and consent of all other Owners of that Lot.

6. Duties, Powers and Authority of the Association. The Association shall have all the powers of a not-for-profit corporation organized under the laws of Florida, subject only to such limitations as are set forth in the Articles, the Bylaws, or this Declaration. The Association shall have the power to do all lawful things which may be authorized, assigned, required or permitted to be done by this Declaration, the Articles, or the Bylaws, and to do and perform any and all acts which may be necessary or proper for, or incidental to, the exercise of any of the duties or powers of the Association for the benefit of the Owners and for the maintenance, administration and improvement of the Property and the Areas of Common Responsibility.

**ARTICLE IV**  
**PROPERTY RIGHTS AND EASEMENTS IN THE COMMON PROPERTIES**  
**AND LOTS**

1. Property Rights. Property rights in and to the Common Property shall carry with it the right by the Association and the Declarant (but not the Owner) to dedicate or transfer all or any part of or interest in the Common Property to any public agency, authority, or utility provided by the Articles, or to enter into any easements, shared facilities or other agreements with any such parties that may hereafter encumber the Common Property or portions thereof.

2. Easements. The Association and each Owner (including Declarant) shall have a non-exclusive right and easement of use and enjoyment in and to the Common Property. Said right and easement shall be appurtenant to and pass with the title to each Lot, and shall include, without limitation, the following:

a. Right-of-way for ingress and egress by vehicles and on foot through and across any streets, roads or walks in the Common Property for all lawful purposes; and

b. Rights and easements to drain across the surface water drainage detention, retention and conveyance structures and areas in accordance with the Master Surface Water Management System and applicable District rules and permits, and to connect with, maintain and make use of utilities lines and facilities from time to time located within the Common Property; and

c. Rights and easement to use and enjoy the Common Property for any purpose not inconsistent with this Declaration, the Articles, the Bylaws, the rules and regulations of the Association, or law.

d. The Association shall have a non-exclusive easement for ingress and egress over and across all Common Property, driveways and walkways, that may from time to time exist within the Property; provided, however, that any such easement in favor of the Association shall be limited to provide the Association only such easement interest as may be required to satisfy any maintenance or related obligations of the Association with respect to the streets, roadways, Master Surface Water Management System, Common Property and other infrastructure within the Development.

3. Utilities. The Lots, Property or the Common Property may be subject to existing easements and agreements for public utilities purposes (including, but not limited to, fire and police protection, garbage and trash removal, reclaimed and potable water and sewage systems, electric service, cable television, telephone and irrigation wells and pumps), and the utilities and applicable governmental agencies having jurisdiction thereover, including without limitation the Association, and their employees and agents shall have the right of access to any Lot or Property or the Common Property in furtherance of such easements. Each Owner shall be obligated to maintain any easements contained within such Owner's Lot, whether or not shown on any recorded plat and whether or not required to be maintained by the utility entity holding such easement. The Declarant or its designee, so long as the Declarant or designee owns a Lot or Property or the

Common Property, and without the joinder and consent of any other person or entity, shall have the right to grant such other additional easements and enter into such additional agreements regarding utilities, including provision and maintenance agreements, as may be necessary for public utilities purposes. In addition, the Declarant reserves for itself and its designee, so long as the Declarant or designee owns a Lot or Property or the Common Property, and without the joinder and consent of any other person or entity, the right to enter into license, marketing, shared facilities or other agreements with respect to the Property, for the provision of any such utilities within the Property, or for the maintenance of any utility or drainage facilities or other areas, whether or not included in the Common Property. Any such easements and agreements shall be binding on the Association and survive turnover pursuant to their terms.

4. Title to Common Property. Declarant shall convey to the Association or, if required by Hillsborough County incident to the establishment of an MSTU/MSBU as described in Article IV, Section 8 below, dedicate to Hillsborough County for the uses and purposes set forth in this Declaration or in any subdivision plat of the Property fee simple title in and to the Common Property free and clear of all encumbrances except taxes, applicable subdivision plats, this Declaration and any easements recorded in the public records prior to the conveyance to the Association. Once conveyed to the Association, the Common Property may not be mortgaged or further conveyed without the consent of at least two-thirds (2/3) of the Owners (excluding Declarant); provided, however, if required by Hillsborough County incident to the establishment of an MSTU/MSBU as described in Article IV, Section 6 below or otherwise, the Association shall dedicate to Hillsborough County for the uses and purposes set forth in this Declaration or in any applicable subdivision plat so much of the Common Property then owned by the Association as shall be required by Hillsborough County, and, except as provided in Article XII or by law, no such dedication shall require the consent of any Owner, the Association, any mortgagee or other lien holder, or of anyone else.

5. Extent of Easements. The rights and easements created in this Article shall be governed by the following:

a. Subject to any conflicting rights of Declarant and the Owners set forth in this Declaration, or as otherwise expressly provided herein, the Association shall be responsible for the exclusive management, control and maintenance of the Common Property.

b. Declarant, until conveyance of title to the Association, and the Association thereafter, may reserve to itself or to grant or dedicate (subject to the terms of Article XII) to Declarant, any Owner, any governmental agencies and/or any utility company, easements and rights-of-way, over, under or through the Common Property for installation, use, maintenance and inspection of lines and appurtenances for public or private utilities, surface water drainage improvements and areas, or completion of the Development. No improvement or material may be placed upon any such easement which may damage or interfere with the installation or maintenance of utilities or the easement area or that may alter or impede the direction or flow of drainage.

c. Declarant's rights reserved in this Declaration.

d. Matters shown on any plat of the Property or otherwise recorded in the Official Records of Hillsborough County.

6. Reservations. Declarant hereby reserves the following licenses, rights, privileges and easements over, under and through the Common Property, for itself and the Association: (i) rights-of-way and easements to install, maintain and use electric, lighting, telecommunications, cable television, telephone, gas, water, sewer, drainage and utility poles, wires, cables, conduits, fixtures, pipes, meters, equipment, facilities, ponds, swales, berms or ditches, and other equipment and improvements necessary or convenient for the completion, marketing, use and enjoyment of the Property, (ii) the right to cut trees, bushes or shrubbery, make any gradings of the soil, and take any similar action reasonably necessary to provide economical and safe utility and drainage installation or to maintain reasonable standards of health, convenience, safety and appearance, (iii) the right to locate thereon wells, pumping stations and irrigation systems and lines, (iv) easement of ingress and egress for purposes of development, construction and marketing, and (v) such other rights as may be reasonably necessary to complete in an orderly and economic manner the development and sale of the Property including, without limitation, the maintenance of temporary signage and trailers used in such development and sales efforts; provided, however, that said reservation and right shall not be considered an obligation of Declarant to provide or maintain any such easement, utility, equipment or service. Declarant also reserves the right to connect with and make use of the utility lines and drainage improvements which may from time to time be in or along the streets and roads, or within the Common Property or platted easements. The easements and rights-of-way herein reserved herein shall be assignable and shall continue in existence in favor of Declarant after conveyance of the Common Property to the Association or dedication to Hillsborough County until such time as Declarant has sold all Lots in the Property and in any lands separately developed by Declarant and located adjacent to the Property.

Declarant also reserves a perpetual right and easement to irrigate the Common Property with treated effluent from a wastewater treatment facility, if any. The benefit of this reservation shall inure to Declarant and its specifically designated successors and assigns, but not in favor of any other Owner.

7. Delegation. Any Owner (including Declarant) may grant the benefit of any easement, right or privilege to tenants and guests for the duration of their tenancies or visits, but same shall not be construed to create any rights in the general public.

8. MSTU/MSBU. Declarant or Hillsborough County may establish a municipal service taxing unit, municipal service benefit unit, or similar mechanism (sometimes referred to in this Declaration as "MSTU/MSBU"), to provide for any one or more of the following: (a) operation and maintenance by Hillsborough County of any of the Common Property, and any recreational, drainage or other improvements thereon, for the uses and purposes set forth in this Declaration or in any applicable subdivision plat, which may or may not include a requirement that ownership of the affected lands and improvements be transferred to Hillsborough County, (b) construction or improvement of recreation, drainage, sidewalk, wall, landscaping, open space, conservation, or other areas, improvements or facilities on or within the Common Property or any easement areas for the use and benefit of the Property and the occupants thereof, and (c) construction, operation or maintenance of street lighting or any other service or benefit to or for the Property authorized

under the terms of this Declaration or the MSTU/MSBU, or by the applicable governmental authority. It is anticipated that the costs incurred by the MSTU/MSBU will be billed directly to the Owners or to the Association for subsequent assessment to the Owners and Lots.

**ARTICLE V**  
**INSURANCE**

The Board shall obtain fidelity bond coverage in its discretion. In addition, the Board shall obtain insurance for insurable improvements on the Common Property, any Area of Common Responsibility, or on any easement benefitting the Owners or the Association, public liability policies covering the Association and Members for damage or injury caused by the negligence of the Association or any of its Members, guests or agents, directors' and officers' liability insurance, and any other types of insurance coverage as the Board may deem appropriate, with such insureds, deductibles provisions and coverage types and amounts as shall be determined by the Board. Premiums for insurance so obtained shall be a Common Expense. The Association may self-insure against any risk.

**ARTICLE VI**  
**COVENANT FOR MAINTENANCE ASSESSMENTS**

1. Lien and Personal Obligation Nonpayment. The Association shall have a continuing lien against each Lot for any unpaid assessments, including individual assessments, against the Owner thereof, and for interest, late charges or administrative collection charges accruing thereon, which lien shall also secure reasonable attorneys' fees, incurred by the Association incident to the collection of such assessment and/or enforcement of such lien, regardless of, whether or not legal proceedings are commenced. The recorded lien or continuing lien shall relate back to the date of the recording of the original Declaration of the community. The lien shall state the legal description of the Lot, the name of the record owner, the amount claimed to be due and the due dates. The lien shall continue in effect until all sums secured by the lien have been fully satisfied. Upon full payment, the party making payment shall be entitled to a recordable satisfaction of lien, to be prepared by and recorded at his expense. Every new owner, excluding a purchase money first mortgagee but including a purchaser at a foreclosure sale, shall be jointly and severally liable for all amounts owed by the previous owner in accordance with Section 2 of this Article; this does not affect the contribution rights the new owner may have against the previous owner; for the purposes of previous liability, the Association shall be excluded from payment and contribution during the time the Association owns a Dwelling or Lot.

2. Assessed Property. Declarant, for each Lot owned by it in the Property, and each Owner other than Declarant by acceptance of title to any Lot, whether or not it shall be so expressed in any deed or other conveyance, covenants and agrees to pay to the Association: (i) annual assessments or charges, (ii) special assessments, (iii) individual assessments, and (iv) a one-time only initial assessment. Said assessments shall be fixed, established and assessed as herein provided. A late charge of \$25.00 shall be assessed each month on any unpaid balance if not paid when due. Assessments, together with such

interest, late charges, and administrative collection fees as shall be imposed by the Board at its discretion, and the cost of collection thereof, including without limitation court costs, individual assessments, reasonable attorneys' and legal assistants' fees before trial, at trial, in bankruptcy and/or on appeal, shall be a charge and a continuing lien upon the Lot against which such assessment is made, and upon any Dwelling located on said Lot, from and after the date on which such assessment is due. Each assessment, together with said charges shall also be the personal obligation of each person who was an Owner of the Lot at the time the assessment fell due. All owners acquiring title to a Lot after the date of adoption of this provision, except for first mortgagees acquiring title through foreclosure or deed in lieu of foreclosure and owners acquiring title to a Lot from a first mortgagee who acquired title pursuant to foreclosure of a mortgage or a deed in lieu of foreclosure based upon a first mortgage of record on the date of adoption of this provision, shall be jointly and severally liable for all unpaid amounts of the previous owner, less any amounts paid by a first mortgagee.

If any assessment or installment thereon is not paid when due, then such assessment shall be delinquent and the delinquent assessment, together with interest, late charges, and collection costs, shall be secured by a continuing lien on the Lot as to which the assessment accrued, and upon any Dwelling located thereon. Such lien shall be prior to all other liens hereinafter created except taxes or assessments levied by governmental authority, and except as to the lien of any first priority, purchase money mortgage of an institutional lender. The lien shall be prior to and superior in dignity to homestead status. The lien shall bind the Lot and any Dwelling located thereon in the hands of the then Owner and of each subsequent Owner. The personal obligation of the Owner to pay such delinquent assessment shall remain that Owner's personal obligation for the statutory limitations period. Personal liability shall also pass to successors in title. If the delinquent assessment or installment thereon is not paid, same shall bear interest from the date due at the highest lawful rate in Florida, or at such lesser rate as may be determined by the Board and uniformly applied, and the Association may bring an action for collection against the Owner personally obligated to pay the same and to foreclose the lien against the Lot and any Dwelling located thereon by judicial foreclosure in the same manner as foreclosure of a mortgage, and there shall be added to the amount of such assessment the aforesaid interest, late charges, collection charges, individual assessments, costs and attorneys' and paralegals' fees, and fees and collection costs shall be recoverable whether or not suit be brought. The Owner shall also be required to pay the Association any assessments against the Lot which become due during the period of foreclosure. The Association shall have the right and power to bid at the foreclosure sale and to own sell, lease, encumber, use and otherwise deal with the Lot and any Dwelling thereon as owner thereof. No mortgagee shall have the obligation to collect any assessments or other amounts arising under this subsection, and no failure by the Owner to pay any assessments or other amounts arising under this subsection shall constitute a default under any first priority, purchase money mortgage of an institutional lender.

3. Exempt Property. The following property shall be exempt from the assessments, charges and liens created herein: (i) Common Property; (ii) lands owned by Declarant which have not been annexed to the Property by this Declaration or any Supplemental Declaration; (iii) lands dedicated to Hillsborough County or other governmental authority, any utility company or the public; and (iv) Lots owned by Declarant during the period of time that Declarant subsidizes the Common Expenses of the Association pursuant to Section 11 of this Article. No other land or

improvements in the Property shall be exempt from these assessments, charges or liens. No Owner may avoid assessment obligations by virtue of non-use of the Common Property or abandonment of the Common Property.

4. Purpose. The assessments levied by the Association may be used to promote the recreation, health, safety and welfare of the Owners, to perform the Association's duties and to exercise the powers conferred on it, to improve, operate, insure and maintain the Common Property and the Areas of Common Responsibility, and to pursue any other purpose deemed desirable or appropriate by the Board, including without limitation any one or more of the following: (a) payment of the Association operating expenses; (b) lighting, irrigation, maintenance, improvement and beautification of streets and easement areas, and acquisition, maintenance, repair and replacement of community identification signs and traffic control devices, and control and regulation of traffic in the Property; (c) operation, maintenance, repair and management of any clubhouse, park and recreational facilities constituting the Areas of Common Responsibility; (d) payment of any amount due under any cable television services agreement entered into in accordance with Article IX, Section 28 hereof; (e) payment, contest or compromise of real and personal property taxes and assessments separately levied upon or assessed against the Association or the Common Property; (f) operation, management, insurance, replacement, maintenance, repair, beautification and improvement of the Common Property, Areas of Common Responsibility, any easement areas benefitting the Association; (g) repayment of any deficits previously incurred by the Association; (h) procurement and maintenance of insurance; (i) employment of accountants, attorneys and other professionals to represent or advise the Association; (j) operation, maintenance and repair of the Master Surface Water Management System for the Property in accordance with the terms of this Declaration and the requirements of the District; (k) monitoring of protected wetlands as required by the District, including, without limitation, funding for monitoring and maintenance of any wetland mitigation areas each year until the District determines that such areas are successful in accordance with the District permit ; and (l) doing anything necessary or desirable in the judgment of the Board to keep the Property neat and attractive, to preserve or enhance the value thereof, to eliminate fire, health or safety hazards, or otherwise to benefit the Owners.

5. Determination of Annual Assessments.

a. Operating Budget. At least thirty (30) days prior to the end of the Association's fiscal year, the Board shall prepare a budget of the estimated costs of operating the Association during the coming year, including without limitation operational items such as overhead and indirect costs, insurance, utilities, taxes, professional fees, repairs, reserves, maintenance and other operating expenses, as well as charges to cover any deficits from prior years, and capital improvement budget items approved by the Board under subsection below.

b. Capital Budget. Each year, the Board shall approve a capital budget taking into account the number, type, useful life and expected replacement cost of replaceable assets. The Board shall then set the required annual capital contribution in an amount sufficient to meet the projected capital needs of the Association on a timely basis. The annual capital contribution fixed by the Board shall then be included in the annual operating budget and annual assessments described in subsection above. If in any year the capital budget is insufficient to cover new or

replaceable assets the Board may levy additional assessments and may increase the capital budget for the remainder of the year by following the procedures set forth in Article VI Section 5(c).

c. Adoption of Operating Budget and Capital Budget. The Association shall provide, whether by mail or electronic notice, to each Member at least thirty (30) days prior to the end of the Association's current fiscal year, or thirty (30) days prior to the implementation of a new annual budget, a written notice of the annual assessment and notice that a copy of the capital budget and operating budget are available upon request at no charge to the member or provide a copy of the same, upon request. The annual assessments for each year (commencing January 1 of the year following the year in which the first Lot was conveyed), may be increased by the Board without a meeting by an amount not to exceed fifteen percent (15%) over and above the annual assessments for the preceding year, and such increase and associated operating budget shall not require the approval of the membership. In the event that annual assessments exceed fifteen percent (15%) over and above the annual assessments for the preceding year, then within twenty-one (21) days of the adoption of the budget, twenty percent (20%) of the owners may petition in writing for a special members meeting to be called for the purpose of considering an alternate budget. At that meeting a majority of the owners must vote to adopt the alternate budget. If the alternate budget is not passed at this special meeting, the previously proposed budget will go into effect. If the Board fails to propose a budget, then the budget and annual assessments for the preceding year shall continue in effect until a new budget is determined, and can be implemented with at least thirty (30) days notice to the Members as indicated above.

d. Allocation of Annual Assessments Among Lots. The operating budget of the Association shall be assessed against all Owners and Lots in the Property in an equal amount per Lot.

e. Capital Reserve Accounts: In addition to the above provisions, the budget may include reserve accounts for deferred maintenance, repair, and replacement of certain Association assets. These accounts may include any other item for which the deferred maintenance expense or replacement cost exceeds \$10,000 or for which the majority of members vote to establish a reserve account. Reserve funds shall be used only for authorized reserve expenditures unless their use for other purposes is approved in advance by a majority vote at a duly called meeting of the Association. Reserves must be fully funded unless waived by the majority of a quorum of the Members. Any waiver requires special statutory notice. As for any provisions not specifically covered in the governing documents, all other aspects of reserves are governed by the Florida Statutes as amended from time to time.

6. Special Assessments. In addition to annual assessments, the Board may levy at any time a special assessment for the purpose of defraying the cost of any construction, repair or replacement of any improvement on the Common Property or Areas of Common Responsibility, or on any easement benefitting the Association, for the purpose of covering any budget deficits of the Association, or for any other purpose deemed desirable or appropriate by the Board; provided, however, that any such special assessment shall have the approval of a majority of the director members who are in attendance and voting in person, or by proxy, at a meeting of the Board duly called for said purpose.

7. Individual Assessment. The Board may levy an individual assessment against any Owner and that Owner's Lot and any Dwelling located thereon. While not an exclusive list, the Board may levy an individual assessment in order to cover costs incurred by the Association due to that Owner's failure to maintain its Lot or Dwelling pursuant to the standards set forth in this Declaration, or to reimburse the Association for loss or damage to the Association or to any Common Property, Area of Common Responsibility or easement area caused by that Owner or his lessee, agent, contractor or guest, and not covered by insurance, or for any other purpose expressly permitted by this Declaration, or for any violation of the Declaration, or for any purpose covered in Article I.B.19. Fines levied shall also become individual assessments, without limitation to lienable amount.

8. Commencement of Annual Assessments; Start-Up Assessment; Initial Annual Assessment; Due Dates. Annual assessments on the Lots in the Property shall commence upon the sale of the first Lot in the Property to a bona fide third party purchaser. The annual assessment for the Property for the calendar year 2005 shall be \$708.86 per Lot. At the closing of the sale of each Lot in the Property by Declarant to the first purchaser from Declarant, the purchaser shall pay to the Association (i) a one time initial contribution ("Start-Up Assessment") in the amount of \$150.00, and (ii) the entire annual assessment for the calendar year of closing, prorated on a per diem basis from the date of closing through the end of that calendar year. Notwithstanding the foregoing, the annual fee payable for each Lot shall exclude and shall be reduced by the applied for Lot cable television fee until such time as the Lot is conveyed to a homeowner. Thereafter, annual assessments shall be due, in advance, on or before the commencement of the Association fiscal year for which imposed; but the Board may elect to collect annual assessments in monthly, quarterly or semi-annual installments. In the event of such deferred payments, the Board may but shall not be required to charge a uniform, lawful rate of interest on the unpaid balance. The Board may accelerate the balance of any annual assessment upon default in the payment of any installment thereon. Annual assessments which commence to accrue as to any Lot other than on the first day of the year shall be prorated for the balance of that year. Any new purchaser shall also pay the pro-rated amount of assessments for the remainder of the year in addition to any other monetary obligations of the Lot created by this Declaration. After the one time Start-Up Assessment has been paid as to a Lot in the Property, subsequent purchasers of such Lot shall be required to pay a \$100 transfer contribution and any fee for the Association's agent in administrating the transfer.

The initial annual assessment for the Lots in each Additional Property shall be set forth in the relevant Supplemental Declaration.

9. Certificate. Upon request, the Association shall furnish to any Owner a certificate setting forth whether required assessments have been paid. Such certificate shall be conclusive evidence in favor of third parties relying thereon of the payment of any assessment therein stated to have been paid.

10. Subordination. The assessment lien shall be subordinate to the lien of any first mortgagee.

11. Funding by Declarant. Notwithstanding anything contained in this Declaration to the contrary, Declarant shall not be obligated to pay any annual or special assessment or Start-Up Assessment as to any Lot owned by it during any period of time that Declarant pays the Common Expense actually incurred over and above the income derived from annual, special and individual assessments collectible from the Class "A" Members. For purposes of this subsidy arrangement, Declarant need not subsidize or pay replacement reserves or capital expenditures. Declarant, at its option, may elect by written notice delivered to the Association at any time to abandon the subsidy approach and commence payment of the assessments thereafter falling due for the Lots then owned by Declarant, prorated as of the date of such notice. Declarant shall never be obligated to pay any individual assessment unless so elected in writing.

## **ARTICLE VII** **ARCHITECTURAL CONTROL**

1. Architectural Control; ARB. All Lots and Dwellings in the Property are subject to architectural review in accordance with this Article and the Planning, Construction and Development Criteria ("the Planning Criteria" or used interchangeably "book of standards") adopted and revised from time to time by the Architectural Review Board (the "ARB"). The book of standards shall be written and made available to all builders in the Property and to all Owners or prospective Owners. The Planning Criteria may include any matters considered appropriate by the ARB not inconsistent with this Declaration. The ARB is granted authority to make changes and updates to the book of standards and is granted the authority to make clarifications and guidelines in the book of standards to these governing documents, when the governing documents are unclear, abstract, or an issue is not covered within the governing documents; to be implemented, changes to the book of standards must be approved by a majority of the Board at a meeting called for that purpose.

No site work, landscaping, utility extension, drainage improvement, paving, driveway, swimming pool, pool enclosure, building, fence, wall, or any other physical or structural improvement, or change or alteration to the exterior of any existing structure or improvement, including change in color scheme, or to any existing landscaping, shall be commenced, erected or maintained until the plans showing such details as the nature, size, design, workmanship, shape, finished grade elevation, height, materials and color of the same, together with a landscape plan and a plot plan showing the location relative to boundaries and adjacent improvements of such proposed improvements or changes, all as applicable, have been approved in writing by the ARB.

So long as Declarant owns any Lots subject to this Declaration, Declarant shall be entitled to appoint all members of the ARB. Thereafter, the membership of the ARB shall be determined by the Board. The ARB shall consist of no fewer than three (3) members, none of whom shall be required to be Owners or occupants of the Property. Nothing herein shall limit the right of an Owner to finish or alter the interior of that Owner's Dwelling as that Owner desires. Decisions of the ARB shall be by majority action. No member of the ARB shall be entitled to compensation for services performed, but the ARB may employ professional advisors and pay reasonable compensation to such advisors at Common Expense. In the absence of an ARB, the Board will act as the ARB and approve applications as such.

It shall be the responsibility of each Owner at the time of construction of the Dwelling on that Owner's Lot to comply with the approved construction plans for the Master Surface Water Management System on file with the District pursuant to Chapter 40D-4, F.A.C.

2. Approvals. Unless waived by the ARB, all plans shall be prepared by an architect or engineer, said person to be employed by and at the expense of the Owner. If for any reason, including purely aesthetic reasons, the ARB should determine that a proposed improvement or alteration is not consistent with the Planning Criteria or Declarant's development plan, or in the best interest of the Development, such improvement or alteration shall not be made. Approval of plans may be withheld not only because of noncompliance with any of the specific conditions, covenants and restrictions contained in this Declaration, but also by virtue of the dissatisfaction of the ARB with the location of the structure on the Lot, the elevation, color scheme, finish, design, proportions, architecture, drainage plan, shape, height, style and appropriateness of the proposed structures or altered structures, the materials used therein, the planting, landscaping, size, height or location of vegetation on the Lot, or because of its reasonable dissatisfaction with any other matter or thing which, in the judgment of the ARB, will render the proposed improvement or alteration inharmonious with the general development plan or the Planning Criteria. Two (2) sets of plans, specifications and plot plans shall be submitted to the ARB by the Owner prior to applying for a building permit. Submittals and re-submittals of plans shall be approved or disapproved within thirty (30) days after receipt by the ARB. Failure of the ARB to respond in writing to a submittal or re-submittal of plans within such period shall be deemed to be disapproval of the plans as submitted or resubmitted. The ARB approval or disapproval shall be written and shall be accompanied by one (1) copy of the plans, etc., to be returned to the Owner. Whenever the ARB disapproves plans, the ARB shall specify the reason or reasons for such disapproval.

a. If an owner makes any external changes to a Dwelling or Lot without first submitting an ARB request, that owner shall receive a \$250 individual assessment payable within 15 days of written notice; this applies upon any discovery of non-compliance with ARB procedures, regardless of time. The Board may set a schedule or may determine to raise or lower the individual assessment, if in its discretion it is necessary. This paragraph applies to all external charges performed without an ARB submission, regardless of whether the change would have been approved, is consistent with the book of standards, or regardless of whether another owner made a similar change with or without an ARB submission. This paragraph is in addition to any enforcement or compliance remedy available in this Article or in the governing documents.

3. Violations. The work must be performed strictly in accordance with the plans as approved. If after plans have been approved, the improvements are altered, erected, or maintained upon the Lot other than as approved, the same shall be deemed to have been undertaken without ARB approval. After one (1) year from completion of any improvement, addition or alteration, said improvement shall, in favor of purchasers and encumbrances in good faith and for value, be deemed to comply with the provisions hereof unless a notice of such noncompliance executed by any member of the ARB or Board of Directors shall appear in the Hillsborough County public records, or legal proceedings shall have been instituted to enjoin the noncompliance or to enforce compliance with these provisions.

4. Variances. The ARB may grant variances from compliance with the architectural provisions of this Declaration or the Planning Criteria including without limitation restrictions upon height, size or placement of structures, or similar restrictions, when circumstances such as topography, natural obstructions, hardship, aesthetic or environmental considerations may reasonably require. Such variances must be written and signed by at least two (2) members of the ARB. The granting of any variance shall not operate to waive any of the terms and provisions of this Declaration or the Planning Criteria for any purpose except as to the particular Lot and the particular provision covered by the variance, nor shall it affect the Owner's obligation to comply with governmental requirements.

5. Waiver of Liability. None of Declarant, the ARB or the Association, or any agent or employee thereof, shall be liable to anyone submitting plans for approval or to any Owner, occupant or guest of the Property by reason of, or in connection with approval or disapproval of any plans, or for any defect in any plans submitted, revised or approved in accordance with the requirements of the ARB, or for any structural or other defect in any work done according to such plans. Approval of plans, or any other approvals, variances or consents, are given solely to protect the aesthetics of the Property in the judgment of the ARB and shall not be deemed a warranty, representation or covenant that any action taken in reliance thereon complies with applicable laws, codes, rules or regulations, nor shall ARB approval be deemed approval of any plan or design from the standpoint of structural safety or conformity with building or other codes. Every person who submits plans for approval agrees, by submission of such plans, and every Owner or occupant of any Lot agrees, by acquiring title thereto or an interest therein, that it will not bring any action, proceeding or suit to recover any such damages.

6. Enforcement. Declarant and the Association shall have standing and authority on behalf of the Association to enforce in courts of competent jurisdiction the Planning Criteria and the decisions of the ARB. Should Declarant or the Association be required to enforce the provisions hereof by legal action, the reasonable attorneys' fees and legal assistants' fees and costs incurred, whether or not judicial proceedings are involved, including the attorneys' fees and costs incurred on appeal from judicial proceedings, shall be collectible from the violating Owner. Any charges incurred by the Association with regard to the enforcement of this Article shall become an individual assessment, due when incurred by the Association. The Association must refund any previously paid attorneys' fees, if there is a later judicial determination it is not the prevailing party. Should any Owner fail to comply with the requirements hereof after thirty (30) days' written notice, Declarant and the Association shall have the right but not the obligation to enter upon the Owner's property, make such corrections or modifications as are necessary, or remove anything in violation of the provisions hereof or the Planning Criteria, and charge the cost thereof to the Owner as an individual assessment. Declarant and the Association, or their agents or employees, shall not be liable to the Owner or to any occupant or invitee of any Lot for any trespass or damages or injury to property or person for any action taken hereunder unless caused by gross negligence or intentional wrongdoing.

**ARTICLE VIII**  
**EXTERIOR MAINTENANCE**

1. Owner's Responsibility. Each Owner shall keep and maintain the building improvements, including Dwelling, and landscaping located on that Owner's Lot in good and presentable condition and repair consistent with the approved plans therefor, and shall otherwise keep such Lot and all improvements located thereon in neat and attractive condition. To the extent not included in the areas required to be maintained by the Association pursuant to Section 4 of this Article, each Owner shall, at that Owner's expense, grass over, mow and keep free of trash and debris, on a routine basis, those portions of the Master Surface Water Management System located on that Owner's Lot (whether or not included in a platted drainage easement). When required, major repairs to, and major maintenance and reconstruction of, components of the Master Surface Water Management System will be performed by the Association, at Common Expense. Each Owner shall grass over, mow and keep free of trash and debris, on a routine basis, the unpaved portion of any platted street(s) abutting the Owner's Lot. Each Owner shall be responsible for the maintenance, operation and repair of the swales on the Owner's Lot. Maintenance, operation and repair shall mean the exercise of practices, such as mowing and erosion repair, which allow the swales to provide drainage, water storage, conveyance or other stormwater management capabilities as permitted by the District. Filling, excavation, construction of fences or otherwise obstructing the surface water flow in the swales is prohibited.

Landscape maintenance shall include without limitation irrigation, fertilization, weeding, mowing, trimming, spraying for insects and disease, and periodic replacement of damaged or diseased plantings and grass.

All sidewalks shall be constructed in accordance with the requirements of Hillsborough County, Florida. Each Owner shall be responsible to maintain, repair and replace the sidewalk abutting his or her Lot. Such maintenance, repair and replacement shall be at the sole cost and expense of the affected Owner. In the event an Owner shall fail to maintain the sidewalk abutting his or her Lot in a manner satisfactory to the Association, the Association may undertake necessary maintenance, repair or replacement of the sidewalk in accordance with the provisions of this Article. In no event shall the maintenance, repair or replacement of sidewalk be an obligation of Hillsborough County, Florida.

The Association shall have the right but not the obligation to provide exterior repair and maintenance on any Lot or any improvement thereon in the event of default by any Owner in the duties hereby imposed. Prior to performing repair or maintenance on any Lot, the Board shall determine that there is need of repair or maintenance and such need detracts from the overall appearance of the Property. Except in emergency situations, prior to commencement of any work, the Board must furnish written notice to the Owner to the effect that, unless specified repairs or maintenance are commenced within fifteen (15) days after the mailing of the notice, and thereafter diligently pursued to completion, the Association may procure said repairs. Upon the Owner's failure to commence timely and to diligently pursue the repairs or maintenance, the Association and its agents or employees shall have the right to enter in or upon the Lot and the exterior of any improvement thereon to perform the repairs or maintenance specified in the notice. In this regards, the Association shall have the right to do such things as, but limited to, paint, repair, replace and care for pools, pool enclosures, roofs, gutters, down spouts, mail boxes and posts, exterior building surfaces and clean or resurface paved access ways and parking areas, trim and care for trees, shrubs, grass, walks, swales, berms and other landscaping and drainage improvements, as well as

to provide general cleanup, shoreline maintenance, and removal of debris which in the opinion of the Board detracts from the overall beauty and setting of the Property. Declarant, the Association, and their respective agents and employees, shall have no liability to the Owner or any occupant or guest for trespass, or damage or injury to property or person as the result of actions taken hereunder unless caused by gross negligence or intentional wrongdoing.

2. Assessment of Cost. The cost of any work performed by or at the request of the Association pursuant to Section 1 shall be assessed as an individual assessment against the Owner of the Lot upon which such work is done.

3. Access. In order to perform the repairs or maintenance authorized by this Article, the agents or employees of the Association may enter upon any Lot and the exterior of any improvement located thereon during reasonable hours on any day except Sundays and holidays, except that in an emergency situation, as determined by the Board, entry may be made at any time. When the Association uses the abatement power in these governing documents, the Board in its discretion may levy an individual assessment over and above the hard cost amount of the abatement itself in order to provide a deterrence mechanism for unwanted actions or an incentive for members to want to bring the Lot into compliance on the member's own initiative as not to tax the Association's use of resources.

4. Association's Responsibility. The Association shall maintain and keep in good condition and repair the Common Property and the Areas of Common Responsibility and the wall, landscaping, lighting, irrigation, sign, drainage and other improvements from time to time located thereon, including replacing any fixtures or appurtenances located in the Common Property or Areas of Common Responsibility. Unless and until dedicated or conveyed to a governmental unit or utility company, the Association shall maintain, repair and replace as needed, and pay the electrical usage charges for, the lift station and related lines and equipment servicing the Property. All tracts within the Property containing portions of the Master Surface Water Management System for the Property as approved and permitted by the District shall be maintained by the Association. The Association shall file with the District and the Hillsborough County Stormwater Office such annual reports as may be required by the applicable permit for the Master Surface Water Management System. It is the responsibility of the Association to operate, maintain and repair the Master Surface Water Management System and to enforce, or to take such appropriate action as may be necessary to cure violations of, the routine maintenance and non-interference covenants of the Owners under this Declaration, and, when appropriate, to levy assessments therefor. Maintenance of the Master Surface Water Management System shall include the exercise of practices which allow the system to provide drainage, water storage, conveyance and other surface water management capabilities as permitted by the District. Any repair or reconstruction of the Master Surface Water Management System shall be as originally permitted or, if modified, as approved by the District. The Declarant shall also have the right to enforce the obligations of the Association, as the case may be, described in this Section 4.

**ARTICLE IX**  
**RESTRICTIVE COVENANTS**

The Property shall be subject to the following covenants and restrictions which shall bind each Owner and Lot:

1. Wells. No individual water supply system shall be permitted on any Lot without the approval of the ARB.

2. Obnoxious or Offensive Activity. No activity or use shall be allowed upon the Property which is a source of annoyance, embarrassment or discomfort to Owners or their tenants or invitees, or which interferes with the peaceful possession and proper use and enjoyment of the Property, nor shall any improper, unsightly, offensive or unlawful use be made of any Lot, Dwelling or the Common Property, and all laws and regulations of applicable governmental bodies shall be observed. The Property shall be used, enjoyed and occupied in such manner as not to cause or produce any of the following effects discernible outside any Dwelling; noise or sound that is objectionable because of its volume, duration, beat, frequency or shrillness; smoke; noxious, toxic or corrosive fumes or gases; obnoxious odors; dust, dirt or fly ash; unusual fire or explosive hazards; vibration; or interference with normal television, radio or other telecommunication by other Owners.

3. Rules and Regulations. Reasonable rules and regulations may be promulgated by the Board, after notice and hearing, as to the use and enjoyment of the Property and shall be observed by the Owners and occupants thereof. Such rules and regulations may involve such matters as air conditioning units, signs, mailboxes, temporary structures, noisy mufflers or other nuisances, garbage and trash disposal, parking, traffic, state of repair of vehicles, tree removal, pets, game and play structures and devices, swimming pools, television and any telecommunications devices, technological devices, drones, and antennae, driveways, walkways, sight distances at intersections, garages, and fences. These matters are set out by way of illustration only and shall not be construed to limit the authority of the Board to promulgate and enforce reasonable rules and regulations. Such rules and regulations may augment or clarify the terms of this Declaration or any term, covenant or restriction herein contained.

4. Animals. Birds, fish, dogs, cats, reptiles, insects and all other non-human organisms (collectively, "Animals") may be kept as pets only, and shall not be held or offered for sale or maintained or bred for any commercial use. An Occupant (for purposes hereof deemed to mean that there may only be one Occupant of a Home, regardless of the number of joint owners or residents) may maintain no more than 2 dogs and/or cats. Canine breeds designated as high risk or uninsurable by insurance standards shall not be permitted on the property. Animals shall be sheltered inside Dwellings. No separate or exterior shelter for Animals shall be permitted. All Animals must be kept in a fully fenced area or leashed when outside and shall not be permitted to run loose. Persons in custody or control of an animal are required to clean up any feces deposited upon the private property of others or in the common areas of the association. No Animals shall be permitted to remain on the Property if it or they disturb the tranquility of the Property or the Owners or tenants thereof, if it or they are unlawful, dangerous, annoying, or a nuisance to or destructive of wildlife, or if it or they are specifically excluded from the Property by the Board

after notice and hearing. Where more restrictive than the foregoing, all applicable laws shall be complied with at all times within the Property.

5. Garbage and Trash. No trash, garbage or other waste material or refuse shall be placed or stored on any part of the Property except in covered or sealed sanitary containers. All such sanitary containers must be stored within each Dwelling or placed within an enclosure or concealed by means of a screening wall approved by the ARB. Except for normal construction debris on any Lot during the course of construction of the Dwelling, no weeds, garbage, refuse or debris of any kind shall be placed or permitted to accumulate upon any portion of the Property.

6. Storage Receptacles. No fuel tanks or similar storage receptacles may be exposed to view, and same may be installed only within an approved accessory building, within a screened area, or buried underground, and shall otherwise comply with standards established from time to time by the ARB or applicable law.

7. Vehicles. No vehicle may be parked on the Property except within garages or completely on paved driveways. No inoperative vehicles shall be allowed to remain on the Property in excess of forty-eight (48) hours unless kept in an enclosure and not visible from the street or any other Lot. No commercial vehicles, except those present on business, shall be parked on any part of the Property. For purposes of this provision, "commercial vehicles" shall mean cars, trucks or any other motorized vehicles, and trailers that may be attached thereto, which are used primarily for business rather than personal purposes. No trailers, boats, campers, trucks, mobile homes, motorized recreational vehicles or motorcycles may be parked in the Property unless parked inside a garage or behind the Dwelling, provided said vehicle cannot be seen from any street. By virtue of membership in the Association, all vehicles of a member or any vehicles of a member's guest shall be immediately subject to a one-hundred fifty (\$150) individual assessment, and in addition may be fined or towed, for: a violation of the Association's parking policy, not being completely parked on a driveway, violating any Association rule or regulation, or being parked on any county street or other paved surface within the community other than a driveway. The member must indemnify the Association for any damages regarding towing of a member's vehicle or a member's guest's vehicle. Also, by virtue of membership in the Association no notice is required to tow, no county notices or signs in order to initially tow need to be posted; however, the Board may determine to have a forty-eight (48) hour notice if deemed necessary. These remedies are not exclusive, and the Board may use any other remedy available to them under the governing documents or at law. At the Board's discretion, any person subject to multiple violations may be dealt with more severely.

8. Temporary Structures. No building or structure of a temporary or portable character such as trailers, tents, shacks or storage units shall be permitted in the Property, except as approved by the ARB, and except for temporary improvements used solely in connection with the construction of approved permanent improvements and removed immediately upon completion of such construction. Neither Declarant nor any residential builder doing business in the Property shall be prohibited from erecting or maintaining temporary dwellings, model homes and other structures for development and marketing purposes, provided such are in compliance with the appropriate governmental requirements, and further provided that any builder first obtains Declarant's written approval of such temporary dwelling, home or structure prior to installing or

constructing same, such approval to be granted or denied by Declarant in Declarant' s sole discretion. Such rights of the Declarant and residential builders shall survive the turnover of control of the Association to the Class "A" Members and shall continue for so long as the Declarant or any such builders owns any Lots within the Property.

9. Signs. No signs, advertisements, billboards, solicitation or advertising structures or materials of any kind shall be displayed or placed upon any Lot; provided, however, street numbers and name signs on Lots and one sign containing not more than four (4) square feet of surface area per side (2 sides maximum) and used solely in connection with the marketing of the affected Lot for sale or lease shall be permitted. Declarant or the Association may enter upon any Lot and remove and destroy any sign which violates this section. This section shall not apply to Declarant or to any residential builder doing business in the Property provided that any such builder first obtains Declarant's written approval of any such structures or material prior to installing same, such approval to be granted or denied by Declarant in Declarant's sole discretion. Such rights of the Declarant and residential builders shall survive the turnover of control of the Association to the Class "A" Members and shall continue for so long as the Declarant or any such builders owns any Lots within the Property.

10. Air Conditioning Equipment. No air conditioning equipment other than compressor units may be visible on the exterior of any Dwelling unless previously approved by the ARB, which approval may be based on the adequacy of screening of such equipment. Window or wall air conditioning units are prohibited.

11. Drainage Structures; Master Surface Water Management System. Unless first approved by the ARB and the District, no Owner other than the Declarant may obstruct, alter or in any way modify the method and/or structures of drainage utilized or installed by Declarant or the Association from, on or across any Lot, Common Property or easement area; nor shall any structure or material be erected, placed or maintained which shall in any way obstruct such drainage devices or facilities or impede their efficient operation. No elevation changes shall be permitted on any Lot which materially adversely affect the drainage of or to neighboring Lots or the Common Property.

The Owners shall not remove native vegetation (including cattails) that becomes established within the wet detention ponds abutting their Lot. Removal includes dredging, the application of herbicide, cutting, and the introduction of grass carp. Lot Owners shall address any questions regarding authorized activities within the wet detention ponds to the District, Brooksville Service Office, Surface Water Regulation Manager.

No Owner of a Lot or other property within the Development may construct or maintain any building, Dwelling, or structure, or undertake or perform any activity in any portion of the Master Surface Water Management System, including, without limitation, the wetlands, wetland mitigation areas, buffer areas, upland conservation areas and drainage easements described in the approved District permit and recorded plat or plats of the Development, unless prior approval is received from the District's Brooksville Regulation Department. Such prohibited activities shall include, without limitation, digging or excavation, depositing fill, debris or any other material or

item, constructing or altering any water control structure, or any other construction to modify the Master Surface Water Management System.

Each Owner within the Development at the time of construction of a building, Dwelling, or structure shall comply with the construction plans for the Master Surface Water Management System approved and on file with the District.

12. Exterior Electronic or Electric Devices. No exterior telecommunications, radio, microwave or television mast, tower, pole, wire, aerial, satellite receiving stations or dish, antenna or appurtenances thereto (if in excess of twelve (12) feet), nor any other exterior electronic or electric equipment, structures or devices of any kind may be installed or maintained in the Property without the prior written approval of the ARB. Notwithstanding anything herein to the contrary, satellite dishes less than one (1) meter in diameter do not require the prior written approval of the ARB; provided, however, so long as reception is not impaired in such a way as to impair acceptable quality signal, the ARB shall have the ability to monitor the location of any such satellite less than one (1) meter in diameter and such dishes shall not be visible from the front of any Lot.

13. Subdivision. No part of the Property shall be further subdivided without the prior written consent of Declarant for so long as Declarant owns any Lot, and thereafter by the Board.

14. Completion. Upon commencement of construction of improvements on any Lot, the Owner shall diligently prosecute the work to the end that the improvements shall be completed as expeditiously as is reasonable. tenant, such enforcement being the sole responsibility of the Owner. Leases must be for the entire home and individual rooms within a home may not be leased.

The Owner agrees to remove, at the Owner's sole expense, by legal means including eviction, his or her tenant should the tenant refuse or fail to abide by and adhere to this Declaration, the Rules & Regulations and any other policies adopted by the Association; Notwithstanding the foregoing, should an Owner fail to perform his or her obligations under this Section, the Association shall have the right, but not the obligation, to evict such tenant and the costs of the same shall be the responsibility of Owner. All Lots shall have fully sodded front and side lawns except in approved landscape or retained natural areas. The Declarant, for itself and the Association, is authorized to negotiate and enter into a contract for the provision of cable television services to the Development, under such terms and conditions as the Declarant or the Association, as applicable, deems appropriate in its discretion. To the extent that any Owner desires cable television service to be provided to its Lot, then such Owner shall be obligated to purchase service from any company with which the Declarant or the Association has entered into an exclusive arrangement. To the extent that bulk cable television service is to be provided under such contract, then any charges therefor shall be added to the budget of the Association and shall be a portion of the annual assessment payable by the Owners of all Lots in the Development. If a bulk service contract is entered into, then the provision of additional premium cable services to each Lot shall be determined by each individual Owner, and the cost of such additional premium cable services shall be borne directly by such individual Owner. If any cable television service contract entered into does not provide for bulk services, then the scope and cost for cable services to be provided to

each Lot shall be determined by each individual Owner, and the cost thereof shall be borne directly by such individual Owner. Further, to the extent that any easements for the installation and maintenance of cable television facilities are required over any Lot to provide cable television service to the Dwelling to be constructed on such Lot, then the builder or developer of such Lot shall grant to the cable television service provider with whom the Declarant or the Association has entered into a written agreement any such easements as are reasonable required by such cable television provider.

28. Energy-Saving Devices. The Association shall be empowered to adopt rules governing the type of clotheslines, solar collectors, solar heating panels and other energy-saving devices that may be permitted on any Lot and establish reasonable restrictions relating to safety, location and maintenance thereof. Clotheslines permissible pursuant to the rules of the Association may only be installed in a rear yard location, not visible from the street or neighboring property. This restriction and all rules promulgated pursuant hereto shall be construed so as to not conflict with, or violate the terms of Section 163.04, Florida Statutes.

29. From time to time, the Board of Directors may update the use restrictions of this Article through rules and regulations.

#### **ARTICLE X** **ADDITIONAL COVENANTS AND RESTRICTIONS**

The Association may also amend the Declaration with two-thirds (2/3) affirmative vote of the Board and ten (10%) of the Owners by written petition. Electronic voting may be permitted. The notice requirements of the amendment process may be satisfied by electronic transmission or electronic mail. Any proposed amendment may be initiated by the Association, or petition signed by ten percent (10%) of the Owners. The amendment shall be effective upon recording the amendment in the Public Records of Hillsborough County.

#### **ARTICLE XII** **HUD/FHA/VA AND DISTRICT APPROVAL RIGHTS**

Notwithstanding anything in this Declaration to the contrary, as long as there exists a Class "B" membership, if any one or more of HUD, FHA or VA requires approval or consent by it or them to annexation of Additional Property, any merger or consolidation involving the Association, the placing of any mortgage lien on the Common Property, dedication to the public of any Common Property, any amendment of this Declaration, or dissolution of the Association, by any one or more of said agencies as a condition of making, insuring or purchasing loans on Dwellings in the Property, and any such loan has been approved, insured or purchased by the applicable agency at the time of the proposed annexation, merger, consolidation, mortgaging, dedication, amendment or dissolution, then the required consent or approval shall be obtained. In addition, any amendment to this Declaration which alters the Master Surface Water Management System beyond maintenance in its original condition, including the surface water management portions of the Common Property, must have the prior approval of the District. This Declaration may not be amended without the prior written consent of the District if such amendment would change any of the provision of this Declaration governing or affecting the operation, maintenance or repair of the Master Surface Water Management System for the Property.

### **ARTICLE XIII** **DURATION AND TERMINATION**

This Declaration shall run with and bind the land, and shall inure to the benefit of and be enforceable by Declarant, the Association and any Owner, and their respective legal representatives, heirs, successors and assigns, for a term of thirty (30) years from the date this Declaration is recorded in the public records, after which time this Declaration and each Supplemental Declaration shall be automatically extended for successive periods of ten (10) years unless prior to the commencement of any 10-year extension period an instrument signed by the Owners of eighty percent (80%) of the Lots and agreeing to terminate this Declaration is recorded in the Public Records of Hillsborough County.

### **ARTICLE XIV** **ENFORCEMENT**

1. Remedies. If any person shall violate or attempt to violate this Declaration, it shall be lawful for Declarant, any Owner, or the Association (a) to prosecute proceedings for the recovery of damages against those so violating or attempting to violate this Declaration, (b) to maintain a proceeding in any court of competent jurisdiction against those so violating or attempting to violate this Declaration, for the purpose of preventing or enjoining all or any such violations or attempted violations, or (c) to maintain a proceeding for any other equitable or legal recourse or remedy available at law or in equity. In addition, whenever there shall have been built or there shall exist on any Lot any structure, thing or condition which violates this Declaration, Declarant or the Association (but not any Owner) shall have the right, but not the obligation, to enter upon the Lot where such violation exists and summarily to abate and remove the same, all at the expense of the Owner of such Lot, which expense shall constitute an individual assessment to be treated and collected as set forth in Article VI, and such entry and abatement or removal shall not be deemed a trespass or make Declarant or Association, or the agents or employees of either,

liable for any damages on account thereof. The individual assessments referenced in this Article, together with such interest and late charges as shall be imposed by the Board at its discretion, and the cost of collection thereof, including without limitation court costs and reasonable attorneys' and legal assistants' fees before trial, at trial and on appeal, shall be a charge due when incurred and shall be a continuing lien upon the Lot against which such individual assessment is made, and upon any Dwelling located on said Lot, from and after the date on which such cost is incurred or individual assessment levied. The Association also has the right to fine Lot owners for any violation of this Declaration. By virtue of this Declaration, fines over \$100 once imposed become individual assessments and may be collected, liened, or foreclosed as assessments under Article VI. From time to time, the Board may also promulgate a schedule of fines, additional abatement rules and limits, policies, or regulations as needed, for enforcement. All other remedies now or hereafter provided by law or this Declaration shall also be available to the Association. The failure of Declarant, the Association, or an Owner to enforce any covenant, restriction, obligation, right, power, privilege or reservation herein contained, however long continued, shall in no event be deemed a waiver of the right to enforce the same thereafter as to the same breach or violation, or as to any other breach or violation occurring prior or subsequent thereto.

The District shall have the right to enforce, by a proceeding at law or in equity, the provisions of this Declaration which relate to maintenance, operation and repair of the Master Surface Water Management System.

In addition to the enforcement rights of the Declarant and the Association as set forth elsewhere in this Declaration, the District shall have the right to take enforcement measures, including civil action for injunction and/or penalties, against the Association, as applicable, to compel the correction of any outstanding problems with the Master Surface Water Management System which are in violation of Article IX, Section 1 hereof. If the Association ceases to exist, all of the Owners shall be jointly and severally responsible for the operation and maintenance of the Master Surface Water Management System in accordance with the requirements of the District's permit for the Development unless and until an alternative entity assumes responsibility therefor.

2. Severability. The invalidation of any provision or provisions of the covenants and restrictions set forth herein by judgment or court order shall not affect or modify any of the other provisions of said covenants and restrictions, which other provisions shall remain in full force and effect.

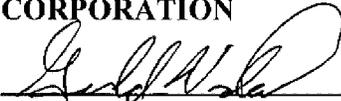

3. Attorneys' Fees. In the event Declarant or any Owner brings suit to enforce any provision hereof or for damages on account of any breach of this Declaration or any warranty, covenant, condition, requirement or obligation contained herein, Declarant or any other Owner will be entitled to recover from the other party(ies), in addition to any damages or other relief granted as a result of such litigation, all costs and expenses of such litigation, including without limitation reasonable attorneys' fees. Attorney's fees become individual assessments under this Declaration and are due from the owner when incurred. The Association must refund any previously paid attorneys' fees, if there is a later judicial determination it is not the prevailing party.

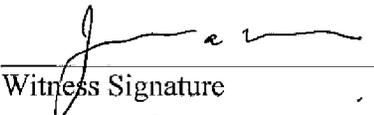

4. Notices. All notices shall be in writing. Any notice sent to an Owner shall be deemed to have been properly sent when hand delivered or when mailed, postage paid, to the last known address of the person who appears as Owner on the records of the Association at the time of such mailing. Notices may be sent by like method to Declarant at the address set forth in the preamble to this Declaration, and by like method to the Association at its address last registered with the Office of the Secretary of State, State of Florida.

Section 2. [Deleted]

Section 3. Regular Meetings. Regular meetings of the Board of Directors shall be held at such time and at such place and hour as may be fixed from time to time by the President or by a majority of the Board. Should said meeting fall upon a legal holiday, then that meeting shall be held at the same time on the next day which is not a legal holiday.

Except as otherwise provided in this Section 5, the waiver must be in writing, signed by the Director entitled to the notice and filed with the minutes or corporate records. Attendance of a Director at any meeting shall constitute waiver of notice of such meeting, except where the Director attends for the express purpose of objecting to the transaction of any business because the meeting is not lawfully called or convened and does not thereafter vote for or assent to action taken at the meeting. If a meeting otherwise valid of the Board of Directors is held without notice where such is required, any action taken at such meeting shall be deemed ratified by a Director who did not attend, unless after learning of the action taken and of the impropriety of the meeting, he makes prompt objection thereto. Objection by a Director shall be effective only if written objection to the holding of the meeting or to any specific action so taken is filed with the Secretary of the Association.

Section 6. Action Upon Written Consent Without a Meeting. Action of the Board of Directors may be taken without a meeting upon the written consent of those members which would be required to take action at a meeting. Any such action without a meeting shall be effective on the date the last Board member signs the consent or on such date as is specified in the consent. Any such action by written consent shall have the same effect as a vote taken at a meeting of the Board of Directors. Any such action shall be ratified as soon as possible at the next meeting.

Section 7. Board Quorum and Voting. The majority of the Board of Directors shall constitute a quorum thereof. Every act or decision done or made by a majority of the Directors present at a duly held meeting at which a quorum is present shall be regarded as the act of the Board. Section 4. Special Appointment. The Board may elect such other officers as the affairs of the Association may require, each of whom shall hold office for such period, have such authority, and perform such duties as the Board may from time to time determine.
